

July 15, 2007

On May 22, 2007 we Kevin and Cathy Lamoureux loaned the "Lamoureux Campaign" \$10,000.00. In order to loan the campaign the \$10,000.00 we acquired a \$10,000.00 line of credit with our financial institution (a copy of the credit document is attached to this note).

At an 8% rate of interest we believe our costs to provide the loan will be approximately \$400.00 on the assumption that the loan is paid by November 22, 2007.
