

Manitoba Liberal Party  
FINANCIAL LOAN AGREEMENT

Between

JEFFERY ANDERSON Campaign  
(Name of Candidate)

and

St. Vital Manitoba Liberal Constituency Association  
% PO 37011 St. Vital Centre, Winnipeg, MB R2M 5R3

The Manitoba Elections Finances Act sets out specific requirements regarding the lending and transfer of money to candidates and Constituency Associations. A Constituency Association may only lend money to its nominated candidate or its registered political party. All loans, including a line of credit and financial institution overdraft, must be in writing where the amount is set, including the annual rate of return and the term of the loan.

As listed above, the Liberal Constituency Association agrees to loan the candidate's campaign, the amount of \$ 3000 xx / 00 Dollars, to be paid back at a rate of interest of 3.95 % annually, as is the prime lending rate as established on this day.

**Terms:**  
The loan, plus interest, is due upon close of the election candidacy and campaign period which is normally two months following the voting day, or Election Day. Statements are then normally filed to Elections Manitoba two months following the end of the candidacy and campaign period.

The first payment will be made to trade payables, followed by payment on the amount owing to the Constituency Association up to the balance of the loan plus interest. Any remaining balance will be paid to the St. Vital Constituency Association.

If someone other than the debtor makes a payment on the loan to the candidate, the payment will be deemed a contribution, and thus will be reported as one.

If after twelve months this loan or any portion of this loan remains unpaid, it will be deemed a transfer from the Constituency Association to the candidate's campaign. If the campaign should be ineligible for a rebate or should the rebate not cover the full amount of the loan, or any portion of it will be deemed a transfer from the Constituency Association to the candidate's campaign.

Loan proceeds must be deposited into the candidate's campaign financial institution account.

Where a loan or balance of a loan remains outstanding at the end of the fiscal year and is in excess of \$250.00 the candidate must report the balance within 30 days of the end of the year to Elections Manitoba.

A copy of this loan agreement must be filed with Elections Manitoba as soon as it is signed.
