ENUMERATION COMPLETE ELIGIBLE VOTERS CAN STILL HAVE THEIR NAMES ADDED TO THE VOTERS LIST

Door-to-door enumeration for the April 19th provincial general election is complete, but voters who weren't home when the enumerator called can still have their names added to the voters list.

The preliminary voters list shows that approximately 690,000 voters throughout the province have been enumerated.

Following enumeration, a revision period is held to add, remove or correct names on the voters list. This period begins today and runs until April 7.

Voters who have not yet been enumerated or did not receive an enumeration record can contact their returning office to arrange for an election official to visit them at home. They may also go to the returning office to make any changes or additions. They must bring one piece of government-issued photo identification (such as a driver's license) or two other documents with their name.

Returning offices are open every day from 8:00 a.m. to 8:00 p.m. except Sunday, when they are open from noon until 6:00 p.m.

To find the address of their returning office, voters can call Elections Manitoba at 204-945-3225, toll-free at 1-866-628-6837, visit the Elections Manitoba website: www.electionsmanitoba.ca, or download our mobile app, Manitoba Votes 2016.
